Deep Knowledge & Highly Professional Quality

“The future vision has also addressed the importance of governance issues and themes. It influences all national priorities regarding oversight activation, the effective use of national resources and realising the principles of integrity justice, transparency, and accountability; thereby boosting the confidence in our national economy and enhancing the competitiveness of the private sector and the civil society under the rule of law.”

**Hiatham bin Tariq Al Said**

## Who are we?

A training institution providing short and long-term training courses in governance, sustainability, compliance, risk management, law, leadership and planning according to the needs of the public and private sectors and any other institutions, in order to prepare and qualify employees and professionals with competencies capable of carrying out their tasks at the highest levels.

The Academy offers its specialized courses in accordance with the needs of the labor market and within the framework of objectives of the Governance and Institutional Performance pillar and other pillars in Oman Vision 2040, which are based on the principles of justice, responsibility, equality, accountability, transparency, participation, the rule of law, integrity and independence, as government institutions tend to adopt a governance system that represents the best and safest way to go ahead with this vision towards achieving its goals.

## Vision and Mission

### Our Vision

To be a leading training institution in raising the level of performance in various work sectors through our distinctive specialized programs, and to support preparing a creative generation that is capable of innovation, leadership, and entrepreneurship.

### Our Mission:

Supporting and developing work process and procedures in public and private sector institutions and non-profit organizations by providing distinguished and specialized training courses by providing new strategies in governance, sustainability, compliance, and other programs.

## Our Goals

1
